

2012 SOUTH CAROLINA FACT BOOK

**A statistical guide to the
Thoroughbred industry
in South Carolina**

Prepared by The Jockey Club

Preface

This report has been compiled as an industry service by The Jockey Club with the intent of shedding some statistical light on the Thoroughbred industry in South Carolina and, in particular, trends that have evolved over the past two decades.

It contains sections on breeding, racing and auction sales. Statistics within the breeding section and those pertaining to racing performance by foaling year are updated on a regular basis.

Statistics contained herein are provided courtesy of The Jockey Club, The Jockey Club Information Systems Inc. and Equibase Company LLC.

Information pertaining to stallions, mares bred and foal crops are maintained in The Jockey Club's pedigree database and reflect information submitted to the Registry by owners and breeders throughout North America as of the date listed on the page.

Information pertaining to races, purses, starters, starts and field size are maintained in the Equibase Company database as collected and reported by chart-callers at tracks throughout North America.

Information pertaining to the number of weanlings, yearlings and 2-year-olds sold at auction, gross sales, average price and median price are maintained in the equineline.com database of The Jockey Club Information Systems.

Although references by The Jockey Club to North America routinely include the United States, Canada and Puerto Rico, for the purposes of this report, North America refers only to the United States and Canada, unless specified otherwise. In addition, since 2005, Canadian purses have been converted to their equivalent amount in U.S. funds.

Many other statistics about the Thoroughbred industry can be found in The Jockey Club's Online Fact Book (jockeyclub.com/factbook.asp) or in the printed edition of the Fact Book.

The Jockey Club is dedicated to the improvement of Thoroughbred breeding and racing and serves as the breed registry for North American Thoroughbreds.
